- Phone: 9499221660/9499221661

Vision

Our vision is to provide a vibrant and inclusive learning environment that delivers quality education with a scientific temper and adapts to the changing needs of the times. We strive to expose students to a wide spectrum of co-curricular experiences that build confidence, nurture courage, and empower them to face challenges with resilience.

At the heart of our vision lies the joy of learning and the enthusiasm of every student. We are committed to fostering responsible, compassionate, and lifelong learners who contribute positively towards building an ideal society

Mission

At **Jai Public School**, true to the literal meaning of '**JAI**' (Victory), we aspire to bring out the best in every student by nurturing the essential virtues of wisdom, hope, and integrity that guide them towards success.

We are committed to developing students' communication skills and recognizing their innate talents in science, literature, performing arts, and sports, empowering them to pursue excellence in their chosen fields.

Our mission is to nurture confident, compassionate, and well-rounded individuals who lead with character, inspire others, and create their own unique paths to success.

About the School

Established in 2019, Jai Public School is a progressive co-educational institution committed to providing quality education that nurtures academic excellence, moral values, creativity, and leadership. Since its inception, the school has been dedicated to creating a safe, inclusive, and inspiring learning environment where every child is encouraged to discover and develop their unique potential.

The school is guided by a visionary management team under the leadership of **President Mr. Vikram Johar, Principal Dr. Neelam Jain**. Their unwavering commitment and dynamic leadership have played a vital role in the school's growth and in fostering a culture of excellence, discipline, and innovation.

Affiliated with the **Central Board of Secondary Education (CBSE)**, Jai Public School follows the vision of the **National Education Policy (NEP) 2020**, offering a learner-centered curriculum that promotes conceptual understanding, critical thinking, experiential learning, and holistic development. The school provides education from **Pre-Primary to Senior Secondary (Grade XII)** with **Science (Medical & Non-Medical), Commerce, and Humanities** streams at the senior secondary level.

The school offers modern infrastructure and excellent facilities, including **smart classrooms, well-equipped Physics, Chemistry, Biology, Computer and Mathematics laboratories, a well-stocked library, language learning resources, sports facilities, music and dance rooms, art and craft studios, transport services, CCTV surveillance, medical support, career guidance and counselling, and a safe, clean, and eco-friendly campus**. Students are encouraged to participate actively in academics, sports, cultural activities, Olympiads, community service, and leadership programmes to ensure their all-round development.

Since its establishment, Jai Public School has earned recognition for its commitment to academic excellence and holistic education. The school continues to celebrate the achievements of its students in academics, sports, cultural events, and various inter-school and national-level competitions.

Our future vision is to become a centre of educational excellence by embracing innovative teaching methodologies, integrating advanced technology into classrooms, strengthening skill-based and value-based education, promoting research, creativity, and entrepreneurship, and preparing students to become confident, compassionate, responsible, and globally competent citizens who contribute positively to society.

Infrastructure

Jai Public School provides a safe, modern, and learner-friendly environment with state-of-the-art facilities that support academic excellence, co-curricular development, and student well-being.

Facility	Description
 Smart Classrooms	Digital classrooms equipped with interactive teaching aids and multimedia resources.
 Science Laboratories	Well-equipped Physics, Chemistry, and Biology laboratories for practical learning.
 Computer Laboratory	Modern computer lab with internet connectivity and updated software.
 Library	Well-stocked library with books, journals, newspapers, magazines, and digital learning resources.
 Sports Infrastructure	Spacious playgrounds and facilities for indoor and outdoor sports, promoting physical fitness.
 Medical Room	First-aid and healthcare facilities with regular medical support for students.
 RO Drinking Water	Safe and purified RO drinking water available throughout the campus.
 CCTV Surveillance	24×7 CCTV monitoring ensuring a secure and safe school environment.
 Fire Safety System	Fire extinguishers, emergency exits, and regular safety drills as per safety norms.
 Green Campus	Clean, eco-friendly campus with landscaped gardens and tree plantations.
 Transport Facility (<i>if applicable</i>)	Safe and GPS-enabled school transport with trained drivers and attendants.
 Inclusive Facilities	Barrier-free access, ramps, and accessible washrooms to support inclusive education.

Capacity Building Programmes

At **Jai Public School**, continuous professional development is considered essential for enhancing teaching quality and improving student learning outcomes. The school encourages all teachers to participate in **CBSE Capacity Building Programmes (CBPs)**, workshops, webinars, orientation programmes, and in-house training sessions throughout the academic year.

These programmes help teachers strengthen their pedagogical practices, classroom management, assessment strategies, digital competencies, and subject knowledge in alignment with the objectives of **NEP 2020**, **NCF-2023**, and the **CBSE Curriculum Framework**.

During the academic session **2026–27**, teachers actively participated in capacity-building programmes conducted by CBSE Centres of Excellence, Diksha, NCERT, and other recognised educational organisations. The training covered competency-based education, experiential learning, inclusive education, artificial intelligence, ICT integration, classroom assessment, life skills, mental health, child protection, and innovative teaching practices.

The school remains committed to promoting a culture of lifelong learning, collaboration, and professional excellence among its educators.

Major Areas Covered

- Competency-Based Education
- Experiential Learning
- Art-Integrated Learning
- ICT Integration in Teaching
- Artificial Intelligence in Education
- Inclusive Education
- Classroom Management
- Assessment and Evaluation
- Foundational Literacy & Numeracy (FLN)
- Mental Health & Well-being
- Child Protection (POCSO)
- Cyber Safety
- National Education Policy (NEP 2020)
- National Curriculum Framework (NCF-SE 2023)

Key Outcomes of the Capacity Building Programmes

The capacity-building initiatives enabled teachers to:

- Adopt innovative and learner-centred teaching strategies.
- Implement competency-based and experiential learning practices.
- Integrate digital tools and ICT effectively into classroom teaching.
- Design competency-based assessments and rubrics.
- Enhance classroom engagement and student participation.
- Promote inclusive and equitable learning opportunities.
- Strengthen communication, collaboration, and reflective teaching practices.
- Improve students' learning outcomes through effective pedagogy

Academic Achievements

SCHOOL ACADEMIC PERFORMANCE

Jai Public School has consistently maintained an excellent record in the CBSE Board Examinations. The outstanding results achieved by our students reflect their dedication, the unwavering support of their parents, and the committed efforts of our highly qualified faculty. Through regular academic monitoring, remedial classes, mentoring, competency-based teaching, and continuous assessment, the school ensures that every student is well-prepared to achieve academic success.

Over the past three academic sessions, the school has proudly achieved a **100% pass percentage** in both **Class X** and **Class XII** Board Examinations. This remarkable accomplishment demonstrates our commitment to academic excellence and holistic development.

Result Class: X

Sl. No.:	Passing Year	No. of Registered Students	No. of Students Passed	Pass Percentage
1	2023-24	39	39	100%
2	2024-25	72	72	100%
3	2025-26	77	77	100%

Result Class: XII

Sl. No.:	Passing Year	No. of Registered Students	No. of Students Passed	Pass Percentage
1	2023-24	15	15	100%
2	2024-25	23	23	100%
3	2025-26	50	50	100%

Highlights

- 100% Pass Result in Class X for three consecutive academic sessions.
- 100% Pass Result in Class XII for three consecutive academic sessions.
- Consistent improvement in student enrolment and successful board appearances.
- Focus on competency-based learning, regular assessments, and personalized mentoring.
- Dedicated faculty support through revision classes, doubt-clearing sessions, and career guidance.
- Continuous parent-school collaboration contributing to students' academic success.

Sports Achievements

District, State and National level participation and awards.

Sports Achievement Report — Session 2025

Presented by: Jai Public School

Sports are not just about winning medals; they are about building confidence, teamwork, and leadership.

This year, our students of Jai Public School have brought immense pride to the school with their outstanding performance in various games at the Block, Zonal, District, and State levels.

District Level Achievements

A total of 48 students from our school were selected for the District Level Games in various sports disciplines such as Football, Volleyball, Handball, Judo, Wrestling, Shooting, Athletics, Skating, Karate, Badminton, and Archery.

Some of the notable performers include:

Tejas Mehla, Tejas Saini, and Jatin in Wrestling (Under-14)

Vansh Vimaal and Naksh in Skating

Krish Saini and Harshit Tomar in Shooting

Ayush Uppadhyay and Moksh in Athletics

Rishi Kumar in Badminton

Prabhnoor and Mayank Bhatti in Volleyball

Hitesh, Aditya, Vibhooti, and Harsh in Judo

Priyanshu, Ansh, Harshit, and Vansh Baliyan in Handball

Ujjawal Saini, Sarthak, Moksh, and Dhruv in Football

Their selection at the District Level is a moment of great pride for all of us.

State Level Achievements

A total of 21 students represented Jai Public School at the State Level Games, competing with the best athletes from across the region.

Our proud State-level participants are:

Tejas Mehla (Wrestling 70kg)

Dev and Jatin (Football U-14)

Deeshant (Judo U-14)

Prabhnoor (Volleyball)

Kunal, Ayush, Vibhooti, and Aditya (Judo U-17)

Amrit (Judo U-19)

Saksham Dahiya (Taekwondo U-17)

Lakshay Singh and Sanshit Garg (Table Tennis U-17)

Deepanshu (Wrestling 70kg U-17)

Dhruv and Jashandeep (Volleyball U-17)

Krishi and Vidhit (Archery U-17)

Yashpreet (Yoga U-19)

State Gold Medal Winners

We are proud to announce that our young champions Dev and Jatin of Class 8 brought home Gold Medals in Football (Under-14 category) at the State Level Games.

Their hard work, discipline, and dedication have made our school shine at the top!

Other Notable Performances

In Football, our school team secured Second Position at the District Level.

In Taekwondo and Judo, several students including Aditi, Sunidhi, Tapasya, Vansh, and Yash Pundir represented the school at different age levels.

In Athletics, Jaskirat, Palak, and Himanshi showcased speed and determination in 100m and 200m races.

In Kho-Kho, our girls' team displayed great teamwork and agility.

Principal's Words:

"We are extremely proud of our young achievers. Their determination, sportsmanship, and discipline reflect the true spirit of Jai Public School. May they continue to bring glory to our school and to themselves."

Conclusion:

From local grounds to state arenas, our students have proven that with hard work, passion, and perseverance, success is guaranteed.

Co-curricular Activities

Co-curricular and Scholastic Activities

At **Jai Public School**, we believe that holistic education extends beyond the classroom. As per the activities planned in the **School Academic Calendar**, a wide range of scholastic, co-curricular, cultural, social, and community service programmes were organized throughout the academic session. These activities provided students with opportunities to enhance their knowledge, creativity, leadership, communication, teamwork, and social responsibility while ensuring their overall personality development.

Academic Exhibition

Jai Public School successfully organized an Interdisciplinary Exhibition in July 2026, showcasing the creativity, innovation, and learning outcomes of students across all subjects. The exhibition featured impressive models, working projects, charts, experiments, artworks, and presentations prepared by students under the guidance of their teachers.

Parents were cordially invited to visit the exhibition and enthusiastically appreciated the hard work, confidence, and presentation skills displayed by the students. Their presence made the event more meaningful and encouraging for the young learners.

The exhibition was graced by the Chief Guest, Shri Ajay Singh Tomar, Deputy Commissioner (DC), Ambala. He visited the exhibits, interacted with students, appreciated their innovative ideas, and motivated them to continue learning through creativity and practical experiences. His inspiring words encouraged both students and teachers to strive for excellence.

The exhibition was a grand success and reflected the school's commitment to providing experiential, activity-based, and holistic education in accordance with the vision of modern learning.

Medical Health Check-up Camp

In accordance with the school's annual calendar, a **Medical Health Check-up Camp** was organized for students and parents. Qualified medical professionals conducted general health examinations and provided valuable guidance on maintaining a healthy lifestyle. The initiative promoted preventive healthcare, encouraged regular health check-ups, and reinforced the school's commitment to the physical well-being of its students and families.

Visit to Old Age Home

As part of the community outreach programme included in the school calendar, students visited a nearby **Old Age Home** in November. They interacted with the elderly residents, shared meaningful conversations, presented cultural performances, and expressed their gratitude and respect for the invaluable experiences and sacrifices of senior citizens. The visit instilled values of empathy, kindness, compassion, and social responsibility among the students.

Participation in Pariksha Pe Charcha

The students and teachers of **Jai Public School** actively participated in **Pariksha Pe Charcha**, the interactive programme led by the Hon'ble Prime Minister of India. The session offered valuable suggestions on managing examination stress, improving study habits, and developing a positive approach towards learning. The programme inspired students to face examinations with confidence, determination, and a growth mindset.

Plantation Drive

To promote environmental awareness and sustainable living, the school organized a **Plantation Drive**. Students and teachers planted saplings on the school campus and pledged to protect nature. The activity encouraged environmental responsibility and highlighted the importance of conserving natural resources.

Independence Day Celebration

The school celebrated **Independence Day** with patriotic fervour. The celebration included the unfurling of the National Flag, patriotic songs, speeches, cultural performances, and a tribute to the nation's freedom fighters. The programme strengthened the values of patriotism, unity, and national pride among students.

Mother's Day Celebration

To honour the unconditional love, care, and sacrifices of mothers, **Jai Public School** celebrated **Mother's Day** with great enthusiasm and warmth. The celebration witnessed the active participation of mothers, students, and teachers, making the event truly memorable.

A variety of fun-filled **games and interactive activities** were specially organized for mothers, encouraging their enthusiastic participation and strengthening the bond between parents and the school. The games created an atmosphere of joy, laughter, and togetherness, allowing mothers to spend quality time with their children.

Students also participated in card-making, poster-making, poem recitation, speeches, and cultural performances dedicated to their mothers.

They expressed their love and gratitude through heartfelt messages and handmade gifts, making the occasion even more

Teachers' Day Celebration

Teachers' Day was celebrated with great enthusiasm to honour the dedication and hard work of teachers. Students expressed their gratitude through speeches, cultural performances, and appreciation programmes, making the occasion memorable for the entire school community.

Children's Day Celebration

The school celebrated **Children's Day** with a variety of cultural programmes, games, competitions, and recreational activities. The celebrations created a joyful atmosphere and encouraged students to participate wholeheartedly while strengthening the bond between teachers and students.

Annual Sports Meet

The **Annual Sports Meet** provided students with opportunities to demonstrate their athletic abilities and sportsmanship. Various track and field events and team competitions were conducted, promoting discipline, teamwork, perseverance, and physical fitness.

Science and Mathematics Activities

Regular **Science and Mathematics Activities** such as quizzes, experiments, model-making, and problem-solving competitions were conducted to develop analytical thinking, scientific inquiry, and innovation among students.

Educational Tour

The school organized an **Educational Tour** to provide students with practical learning experiences beyond the classroom. The visit enhanced their knowledge, broadened their perspectives, and encouraged observation, teamwork, and experiential learning.

Annual Cultural Function

The **Annual Cultural Function** showcased the diverse talents of students through music, dance, drama, and other cultural performances. The programme celebrated creativity, confidence, and teamwork while strengthening the partnership between the school and parents.

Community Service Activities

The school regularly organized **Community Service Activities**, including awareness campaigns, cleanliness drives, and social outreach programmes. These initiatives encouraged students to become responsible, compassionate, and socially aware citizens.

Career Guidance and Counselling

Career Guidance and Counselling Sessions were conducted to help students make informed decisions regarding higher education and career opportunities. Experts guided students on emerging career options, competitive examinations, and skill development.

Yoga and Wellness Programme

To promote physical and mental well-being, the school organized **Yoga and Wellness Programmes** throughout the session. These activities encouraged students to adopt healthy habits, improve concentration, and maintain emotional balance.

Awareness Programmes

The school conducted several awareness programmes on road safety, cyber safety, environmental conservation, personal hygiene, health, and cleanliness. These programmes empowered students with essential life skills and encouraged them to become responsible and informed citizens.

Throughout the academic session, the activities conducted at **Jai Public School** reflected the school's commitment to providing a balanced and holistic education. Planned as per the School Academic

Calendar, these programmes enriched the learning experience and contributed significantly to the intellectual, physical, emotional, social, and moral development of every student.

COMPETITIONS, NATIONAL FESTIVALS, CLUBS AND AWARENESS PROGRAMMES.

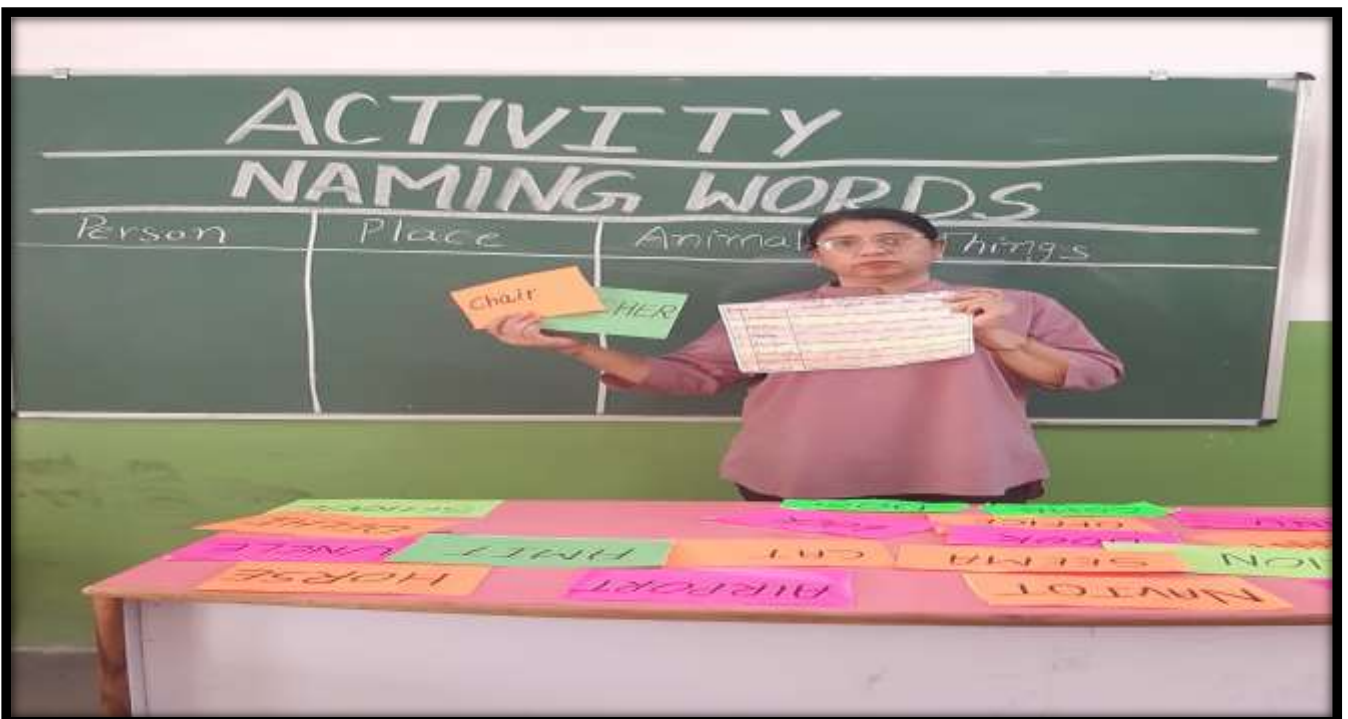

"Happy times come and go, but the memories last forever"

Experiential learning, ICT integration, AI tools, competency-based education, project-based learning.

Inclusive Education

Inclusive Education: Ensuring Learning for Every Child

At **Jai Public School**, we believe that every child has unique abilities and learning needs. The school is committed to providing an inclusive, safe, and supportive learning environment where every student is respected, encouraged, and empowered to achieve their full potential. In accordance with the principles of **NEP 2020**, **NCF-SE 2023**, and **CBSE guidelines**, we strive to ensure equal learning opportunities for all students through personalized support, guidance, and inclusive teaching practices.

Our teachers adopt learner-centered and differentiated instructional strategies to address the diverse academic, social, and emotional needs of students. Regular monitoring, timely interventions, and close collaboration with parents help create a positive and inclusive educational experience.

Key Initiatives

1. Remedial Classes

Additional academic support is provided to students requiring reinforcement in various subjects. Individual attention, revision sessions, practice worksheets, and concept-based teaching help bridge learning gaps and improve academic performance.

2. Enrichment Programmes

Advanced learners are encouraged through enrichment activities, Olympiads, quizzes, research projects, and higher-order thinking tasks to further develop their knowledge and skills.

3. Counselling Services

The school provides counselling and mentoring to support students' emotional well-being, stress management, confidence building, and healthy interpersonal relationships. Students receive guidance to overcome personal, social, and academic challenges.

4. Career Guidance

Career counselling programmes, aptitude awareness sessions, interactions with professionals, and information on higher education opportunities help students make informed academic and career choices.

5. Individual Support

Teachers provide personalized guidance, continuous feedback, and differentiated learning opportunities to ensure that every learner progresses according to their abilities and learning pace.

6. Parent Partnership

Regular Parent–Teacher Meetings (PTMs), counselling sessions, and continuous communication strengthen collaboration between the school and families to support students' overall development.

7. Safe and Inclusive School Environment

The school promotes respect, empathy, equality, and non-discrimination through value education, awareness programmes, and a child-friendly campus where every student feels secure and valued.

Outcomes

Through its inclusive education practices, Jai Public School has successfully:

- Improved students' academic confidence and performance.
- Reduced learning gaps through timely remedial support.
- Enhanced students' emotional well-being and resilience.
- Encouraged equal participation in academic and co-curricular activities.
- Strengthened collaboration between teachers, students, and parents.
- Fostered a culture of respect, empathy, diversity, and lifelong learning.

PTA Activities

At **Jai Public School**, the Parent–Teacher Association (PTA) plays a vital role in fostering effective communication and collaboration between parents and the school. We firmly believe that the active involvement of parents significantly contributes to the academic success, emotional well-being, and holistic development of every child.

Regular Parent–Teacher Meetings (PTMs) are organized throughout the academic session to discuss students' academic progress, attendance, behaviour, learning outcomes, and overall development. These meetings provide an opportunity for teachers and parents to work together in identifying students' strengths, addressing learning needs, and planning strategies for continuous improvement.

The school values parents' suggestions and feedback, which help enhance the quality of teaching-learning practices, student support services, and overall school functioning. The PTA also supports various school initiatives, celebrations, awareness programmes, and community outreach activities, strengthening the partnership between home and school.

Objectives of the PTA

- Strengthen communication between parents and teachers.
- Monitor students' academic progress and well-being.
- Encourage active parental involvement in school activities.
- Address students' academic and behavioural concerns collaboratively.
- Promote a positive, safe, and supportive learning environment.
- Collect valuable feedback for continuous school improvement.

Parent Engagement Initiatives

- Parent-Teacher Meetings (PTMs)
- Orientation Programme for Parents
- Open House Sessions
- Academic Counselling
- Career Guidance Sessions
- Parent Awareness Workshops
- Participation in Annual Day and School Events
- Sports Day and Cultural Programmes
- School Exhibitions and Competitions
- Community Service and Social Awareness Activities

Feedback and Continuous Improvement

The school regularly collects feedback from parents regarding:

- Academic programmes
- Teaching methodologies
- Student discipline
- School infrastructure
- Safety and security
- Communication systems
- Co-curricular activities
- Transport and support services

The suggestions received are carefully reviewed and incorporated into the school's planning and decision-making process to ensure continuous improvement.

Key Outcomes

- Improved parent-school communication.
- Enhanced academic support for students.
- Better student attendance and discipline.
- Increased parental participation in school activities.
- Strengthened trust and collaboration between parents and teachers.
- Continuous improvement in teaching-learning practices through constructive feedback.

Medical Check-up

Annual health check-up report and observations.

Annual Health Check-up and Student Wellness Programme

At **Jai Public School**, the health, safety, and well-being of every student are of paramount importance. In accordance with **CBSE Affiliation Bye-Laws**, the school conducts an **Annual Medical Check-up** for all students to monitor their physical health and identify any medical concerns at an early stage. The programme is carried out in collaboration with qualified medical professionals to ensure timely diagnosis, preventive care, and appropriate guidance.

The health check-up includes a comprehensive assessment of students' general health, height, weight, vision, hearing, dental hygiene, nutritional status, and overall physical fitness. Individual health records are maintained by the school and shared with parents whenever required. Students requiring further medical attention are advised to seek consultation with healthcare specialists.

The school also conducts regular health awareness programmes, hygiene campaigns, and wellness activities to encourage healthy habits and create awareness about nutrition, fitness, mental well-being, and disease prevention.

Objectives of the Medical Check-up Programme

- Ensure the overall health and well-being of students.
- Detect health concerns at an early stage.
- Monitor physical growth and development.
- Promote healthy lifestyle habits and personal hygiene.
- Maintain individual health records.
- Create awareness about preventive healthcare and nutrition.

Health Parameters Assessed

- General Physical Examination
 - Height and Weight Measurement
 - Body Mass Index (BMI)
 - Vision Screening
 - Hearing Assessment
 - Dental Examination
 - Nutritional Assessment
 - Skin and General Health Observation
 - Posture and Physical Fitness Assessment
 - Basic Medical Consultation
-

Medical Facilities Available in the School

- Well-equipped Medical Room
 - First Aid Facility
 - Qualified Medical Assistance (during health camps)
 - Emergency Medical Support
 - Safe Drinking Water (RO System)
 - Clean and Hygienic Washrooms
 - Regular Sanitization and Hygiene Measures
-

Health Awareness Initiatives

Throughout the academic session, the school organized various programmes to promote healthy living, including:

- Health and Hygiene Awareness Sessions
- Yoga and Meditation Activities
- Nutrition and Healthy Eating Awareness
- International Yoga Day Celebration
- Physical Fitness Activities
- Mental Health and Wellness Awareness
- Cleanliness and Sanitation Drive

Safety & Security

Ensuring a Safe, Secure, and Child-Friendly Learning Environment

At **Jai Public School**, the safety and security of every student is our highest priority. The school is committed to providing a safe, inclusive, and nurturing environment where students can learn, grow, and thrive with confidence. Comprehensive safety measures are implemented in accordance with **CBSE Affiliation Bye-Laws, NEP 2020**, and statutory safety regulations.

The school has established robust systems for child protection, campus security, fire safety, disaster preparedness, transport safety, and emergency response. Regular awareness programmes, safety drills, and preventive measures ensure that students, teachers, and staff remain prepared for any emergency situation.

Key Safety & Security Measures

1. Child Protection

- Constitution of the Child Protection Committee.
- Strict implementation of the POCSO Act guidelines.
- Zero tolerance towards bullying, harassment, discrimination, and corporal punishment.
- Safe and child-friendly school environment.
- Awareness programmes on child rights and personal safety.

2. Fire Safety

- Fire extinguishers installed at strategic locations across the campus.
- Clearly marked emergency exits and evacuation routes.
- Regular fire safety inspections and maintenance.
- Fire safety awareness sessions and mock evacuation drills.

3. Disaster Management

- School Disaster Management Committee constituted.
- Disaster Management Plan implemented.
- Mock drills for fire, earthquake, and emergency evacuation conducted regularly.
- Emergency contact numbers displayed prominently.

4. Campus Security

- 24×7 CCTV surveillance covering key areas of the school.
- Visitor entry managed through a visitor register and ID verification.
- Security personnel deployed at the school entrance.
- Restricted access to unauthorized persons.

5. Transport Safety

- School buses operated with trained drivers and attendants.
- Regular vehicle maintenance and safety checks.
- Compliance with transport safety norms.
- Safe boarding and dispersal procedures for students.

6. Health & Hygiene

- Well-equipped Medical Room with first-aid facilities.
- Safe RO drinking water.
- Clean and hygienic washrooms.
- Regular sanitization of classrooms and common areas.

Safety Awareness Programmes

The school regularly organizes:

- Fire Safety Awareness Programme
 - Disaster Management Training
 - Road Safety Awareness
 - Cyber Safety Sessions
 - Personal Safety and Good Touch–Bad Touch Awareness
 - Anti-Bullying Awareness Programme
 - First Aid and Emergency Response Training
 - Health and Hygiene Awareness Campaigns
-

Safety Infrastructure

Facility	Status
CCTV Surveillance	Available
Fire Extinguishers	Installed
Emergency Exit Signage	Available
First Aid Kits	Available
Medical Room	Functional
Security Guards	Available
Visitor Register	Maintained
Safe Drinking Water	Available
School Transport Safety Measures Implemented	

Key Outcomes

- Safe and secure learning environment for all students.
- Enhanced awareness of safety and emergency procedures.
- Improved preparedness through regular mock drills.
- Effective implementation of child protection measures.
- Strong collaboration among students, staff, and parents in maintaining a safe school environment.
- Compliance with CBSE safety and security guidelines.

Conclusion

Jai Public School is committed to maintaining a secure, disciplined, and caring environment where every student feels safe, respected, and protected. Through continuous safety audits, awareness programmes, emergency preparedness, and child protection measures, the school ensures that safety remains an integral part of its educational culture.

Environmental Initiatives

Creating a Green and Sustainable Campus

At **Jai Public School**, environmental conservation is an integral part of our educational philosophy. The school is committed to nurturing environmentally responsible citizens by promoting sustainable practices, conservation of natural resources, and awareness about environmental protection. Through various eco-friendly initiatives, students develop a sense of responsibility towards nature and actively participate in creating a cleaner, greener, and healthier environment.

In alignment with the objectives of **NEP 2020**, **CBSE Eco Clubs**, and the **Sustainable Development Goals (SDGs)**, the school organizes awareness programmes and practical activities that encourage environmental stewardship and sustainable living.

Major Environmental Initiatives

1. Tree Plantation Drive

The school regularly organizes tree plantation campaigns to increase green cover and promote biodiversity. Students, teachers, and staff actively participate in planting and nurturing trees within and around the school campus.

2. Waste Management

A systematic waste management programme is implemented through waste segregation, proper disposal of biodegradable and non-biodegradable waste, and recycling practices. Students are encouraged to reduce waste and adopt the principles of **Reduce, Reuse, and Recycle (3Rs)**.

3. Green Campus

The school maintains a clean, green, and eco-friendly campus with landscaped gardens, flowering plants, herbal gardens, and shaded green spaces that provide a healthy learning environment.

4. Water Conservation

Students are encouraged to use water responsibly through awareness campaigns and conservation practices. Regular monitoring helps prevent the wastage of water.

5. Energy Conservation

The school promotes energy-saving practices by encouraging the use of LED lighting, switching off electrical appliances when not in use, and creating awareness about responsible energy consumption.

6. Plastic-Free Campus

Jai Public School promotes a plastic-free environment by discouraging the use of single-use plastics and encouraging students to use eco-friendly alternatives such as cloth bags and reusable water bottles.

7. Environmental Awareness Programmes

The school celebrates important environmental events and conducts awareness activities, including:

- World Environment Day
- Van Mahotsav
- Earth Day
- Swachh Bharat Abhiyan
- Cleanliness Drives
- Poster Making Competitions
- Essay Writing and Debate Competitions
- Eco Club Activities
- Nature Walks and Awareness Rallies

Key Environmental Practices

Initiative	Status
Tree Plantation	Regularly Conducted
Waste Segregation	Implemented
Green Campus Maintenance	Ongoing
Plastic-Free Campus	Promoted
Water Conservation	Practiced
Energy Conservation	Implemented
Eco Club Activities	Regular
Cleanliness Drives	Conducted Throughout the Year

Key Outcomes

- Increased environmental awareness among students.
 - Enhanced participation in eco-friendly activities.
 - Improved cleanliness and greenery across the campus.
 - Responsible waste management and recycling practices.
 - Development of sustainable habits and environmental responsibility.
 - Active contribution towards environmental conservation and community awareness.
-

Future Environmental Goals

- Expand tree plantation and campus greenery.
- Strengthen waste segregation and recycling initiatives.
- Increase student participation through Eco Club projects.
- Promote rainwater harvesting and water conservation.
- Continue awareness programmes on climate change and sustainable development.

21. Future Goals

Targets for the Upcoming Academic Session (2026–27)

At **Jai Public School**, we believe in continuous improvement and innovation to provide quality education that prepares students for future challenges. Guided by the vision of **NEP 2020**, **NCF-SE 2023**, and **CBSE guidelines**, the school has set strategic goals for the upcoming academic session. Our focus is on strengthening academic excellence, enhancing student well-being, integrating technology, and fostering holistic development.

Strategic Goals for 2026–27

1. Academic Excellence

- Improve students' academic achievement through competency-based and experiential learning.
- Maintain **100% pass results** in Classes X and XII with improved subject averages.
- Strengthen foundational and conceptual learning across all grades.

2. Digital Transformation

- Enhance the use of Smart Classrooms and ICT-enabled teaching.
- Integrate Artificial Intelligence (AI) tools and digital learning resources into classroom instruction.
- Promote responsible and effective use of technology among students and teachers.

3. Teacher Professional Development

- Ensure every teacher completes the prescribed CBSE Capacity Building Programmes.
- Organize regular in-house workshops, peer-learning sessions, and subject enrichment programmes.
- Encourage teachers to adopt innovative pedagogical practices.

4. Student Skill Development

- Strengthen communication, critical thinking, creativity, collaboration, and leadership skills.
- Expand opportunities through Olympiads, quizzes, exhibitions, debates, and project-based learning.
- Promote financial literacy, digital literacy, and career readiness.

5. Holistic Development

- Increase participation in sports, yoga, cultural activities, and community service.
- Enhance programmes related to life skills, health, and emotional well-being.
- Encourage value-based education and responsible citizenship.

6. Infrastructure Enhancement

- Upgrade classrooms and learning resources.
- Enhance laboratory facilities and library resources.
- Continue improving campus safety, security, and digital infrastructure.

7. Parent and Community Partnership

- Strengthen parent engagement through regular PTMs, workshops, and feedback mechanisms.
- Increase community outreach and social responsibility initiatives.
- Foster stronger collaboration between the school and parents.

8. Green and Sustainable Campus

- Expand tree plantation drives and Eco Club activities.
- Promote waste management, water conservation, and energy-saving practices.
- Encourage environmental awareness through student-led initiatives.

9. Student Health and Safety

- Continue annual medical check-ups and wellness programmes.
- Conduct regular fire safety and disaster management drills.
- Strengthen child protection, cyber safety, and road safety awareness programmes.

10. Quality Assurance and Continuous Improvement

- Implement best practices recommended by CBSE and SQAA.
- Regularly review academic performance, teaching strategies, and institutional processes.
- Maintain high standards of governance, transparency, and accountability.

Our Commitment

Jai Public School remains committed to providing a safe, inclusive, innovative, and future-ready learning environment where every child is empowered to achieve academic excellence, develop strong values, and become a confident, compassionate, and responsible global citizen.

Our Vision for the Future

"To empower every learner with knowledge, skills, values, and innovation, creating responsible citizens who contribute positively to society and excel in an ever-changing global environment."

Principal's Message

"Education is the foundation upon which the future of every child is built. At JAI Public School, our mission is not only to impart academic knowledge but also to nurture responsible, compassionate, and confident individuals who are prepared to meet the challenges of a rapidly changing world."

The academic session **2025–26** has been another remarkable year of learning, growth, and achievement. Our students have excelled in academics, sports, cultural activities, and co-curricular programmes, reflecting the dedication of our teachers, the enthusiasm of our students, and the unwavering support of our parents.

Aligned with the vision of **NEP 2020**, **NCF-SE 2023**, and **CBSE**, we continue to adopt innovative teaching methodologies, competency-based learning, experiential education, and technology-enabled classrooms to make learning meaningful and engaging. Our emphasis remains on developing critical thinking, creativity, communication, collaboration, and strong moral values.

At Jai Public School, we firmly believe that every child is unique and possesses immense potential. Through personalized guidance, inclusive education, career counselling, life skills education, and value-based learning, we strive to provide every learner with opportunities to grow academically, socially, emotionally, and ethically.

Our dedicated team of educators remains committed to continuous professional development and the creation of a safe, inclusive, and child-friendly learning environment where every student feels valued and inspired to achieve excellence.

As we look towards the future, our focus will remain on strengthening academic excellence, expanding digital learning, promoting environmental sustainability, enhancing sports and co-curricular opportunities, and preparing our students to become responsible global citizens.

I sincerely thank our Management, teachers, parents, students, and all stakeholders for their continued trust, cooperation, and commitment. Together, we will continue to uphold the values of Jai Public School and strive for excellence in every endeavour.

Our Vision

"To empower every learner with knowledge, values, innovation, and life skills, enabling them to become confident, compassionate, responsible, and future-ready global citizens."

Our Commitment

- Quality education aligned with CBSE and NEP 2020.
- Academic excellence through innovative teaching.
- Holistic development of every learner.
- Safe, inclusive, and value-based learning environment.
- Continuous professional development of teachers.
- Strong partnership with parents and the community.
- Development of responsible, ethical, and environmentally conscious citizens.
